CAREFUL GLEANING OF THE WHOLE FIELD.

Labor Organizations and Politics-Houset Attorney Generals-Whisky Will Not Elect a Candidate.

Nashville Banner: In his speech last Saturdor night Judge R id made strong presentation of the duties of the District Attorney, and called public attention to long needed reforms in the conduct of that office. No one who has given the subject any nvesti-gation can deny that a large amount of money might be raved to tax-pagers by a more just and circut method of att noting to the duties of that office. Without r flering upon any Attorney General in the St. t., wa do not hear are to at to the me called of Attorney General has been my too much of a mency medica mill. Under the freeveners, which is in many 16.

special blictonable, there is room for and innecessary examples are of the people's many. While the Attorney theorem is many the borney do within the borney of the borney do within the borney do within the borney of the bor only with come with alien d not have been made for them to pay.

The Muthits of abox Not to Petis vian and obs lets.

Chait moora Times: The e is nome reity general task to the effect that ortain poll i far a in the city are almost to make then selves solid with the Anish a of Labor, in order to recure their votes is the coming elections. It is known that one or more Knights of Labor are aspirants for office, but it must not be supposed that because occasionally there is a member of the organization of the Knights of Labor nominated for some political office, therefore the Knights are drifting into a political organization. Neither must it be understood that membership in the order deburs a man from accepting a public trust if he chooses to do so, and the people choose to se henor him. But the Knights should exer-cise extraord nary prudence, and not permit them sives to be made use of to assist the schemes of designing poli-

Chat ancoga Times: Pie Bristol News presents an anomaly in newspaper literature. On its editorial page it supports the repudiating Mahone element in Virginia politics, on its fourth page it has a temperance department which madly demands prohibition. While these two departments represent entirely an ipodal ethical positions, yet Fowler is nothing if not radical, and those who know him are ready to admit his consistency even if he were to say that black is white on one side of his paper and that it was the genuine coal color on the o her. A Double Bar, eled Organ

Democratic party's rise to power has cast a dork shadow over the homes of the people, impoverished labor and paratyzed capital. If it were not for the absolute dead moral cortainty that with the present admin-istration the people would again place in power the party it so recently kicked out for its shameless recellities and colo sal corruptions. Honk says in his said platform, that the sugnation of business, the hoard-"the stagnation of business, the hoarding of cap tal and the dearth of employment would be so greatly increased as to threaten the very foundation of government." The saddest part of this sad story is its absolute want of train. There are great and crying evils that need to be corrected, without doubt. They are legacies left to the country by the Republican party when it went out of power, and which, chiefly through them, are still suffered to degrace our statutes.

to disgrace our statutes. If All Depends Upon Whose Ox. Nashville American: Judga Raid is mightly of the opinion that in electing judicial officers the people should entirely disregard the action of political conventions and go for the best man. But we will venture to say that Judge Reid never paus d for one mo-Judga Reid never paus d for one me-ment to weigh the comparative merits of the Dumocratic and Republican ments of its the Supreme Judgeship belare giving his unqualified support to the nomines of his party. At this sesson of the year the demand is always light, and no imfu'ure. Stocks are reported heav er than for some time, and a number of Pitt-burg manufacturers will hardl start their fires again before late in the asked in the old scale.

Fatal Shooting Aftray. Sr. Louis, Mo., June 29 — A special from Sedais, Mo., says: Last night a fatal * o'ing affrey occurred in the little village of Lincoln, Banton county, on the line of the narrow-gauge railroad. William Silvers has been the terror of the town for a long time, and here generally can think he was a natural readway between great lays and here exceed the second of the large of the says of the large of the says of the large and has generally run things his own and has generally run things his own way. J. M. Shaw was recently appointed marshal and determined to preserve order. Storday Silvers became intoxicated and very abusive. Shaw swore cut a warrant for his arrest, but failed to serve it. Silvers was terribly enraged and swore that he would kill the officer on a git. He awaited his opportunity a debot him in the back with a double-barroled shotgur, almost ridding the unfortunate man with buckshot. Shaw is still alive but cannot recover. The still alive but cannot recover. The murderer made good his escape. Han-dreds of armed men are scauring the country in reach of him.

Terrorised by a Manine. FORT WORTH, TEX., June 29.—Jeff Riggle, a spec al officer of the railway company stationed at the union depot, became a raving maniac yesterday morning, and, taking charge of one room, kept everyone about the depot terror.zed. When the Missouri Pacific terrorized. When the Missouri Pacchic passenger train pulled into sight Riggle emerged from the waiting room where he had imprisoned himse fall day, and entered one of the coaches. The passengers field panic stricken from the cars. Riggle was armed with a six shooter. After a terrible atmost in four man overnowered him struggle four men overpowered him The passengers were fically persu ded to recume their places, and, after con-siderable delay, the train moved on.

A Fearful Crime. RALEGON, N. C., June 20.—A special telegram from P ymouth, N. C., to the News and Observer says: Yesterday J. s. N. Busemours, who lives near Wnisor, Berlin county, and his son, Stone Basemore, quarre'ed. The son fired both barrels of a shoughn loaded with buckshot into his father's body. He then broke open a safe, took there from \$800, and fied. The sheriff and a large pesse are scouring the country in search of him. The father is yet alive, but will die. There is great excitement over the awful coime.

They Are Not Sorry. There is one thing nobody ever re-rets—that is, the day they first adopted Parker's Tonic as their regular family medicine. Its range is so wide, and its good effects so sure, that nothing else, except good nursing, are needed in a great majority of cases. Buy it, try it, and afterward it will not require any praise rom us.
